

Dress Code

We ask that Members, their guests and all visitors take a pride in their appearance and above-all that clothing should be clean and tidy.

All players are requested to wear appropriate golf attire on the courses.

Members, their guests, and all visitors may wear smart, clean, dry, casual dress in the Clubhouse. Tailored shorts and soft-spike golf shoes may be worn throughout the ground floor, but not upstairs.

For the avoidance of doubt, whilst smart jeans of any colour may be worn on the ground floor of the Clubhouse, terrace and practice putting green, blue denim is not appropriate for the upstairs bar and dining rooms, on the golf courses or other practice areas.

Tracksuits and flip-flops are not appropriate anywhere other than the changing rooms.

Typically, the dress code upstairs in the Clubhouse will be smart-casual, but specific dress codes may apply for designated events e.g. black-tie dinners, or informal Club suppers, as advertised.

Please use the locker rooms whenever changing clothes or shoes rather than doing so in the car park.
